**NOTE: All reminder dialog changes are included in Reminder Dialog Group:
VA-GP MISC UPDATE 14**

- A number of items below are Elements or Groups that are set with a ‘national’ class. To confirm updates were made on any ‘national’ dialog element or group, choose the INQ (Inquiry/Print) option in the Reminder Dialog Management Menu.

1. Reminder Dialog GROUP: VA-GP RH&S - PSYCHOLOGICAL – TECHNOLOGY

Change Made:

A text change with one word. The word “identify” was changed be “identity”.

This group resides in reminder dialog: VA-RELATIONSHIP HEALTH AND SAFETY ASSESSMENT

BEFORE:

NAME: VA-GP RH&S - PSYCHOLOGICAL - TECHNOLOGY

GROUP HEADER DIALOG TEXT:

Psychological - Using technology (e.g., cyberstalking, harassment, identify theft/misuse)

Section I - IPV HISTORY AND CURRENT EPISODE

Narrative regarding past and/or current IPV:

History of IPV in prior relationships:

Has the individual ever experienced the following forms of IPV?

Check here to record that all forms of IPV were discussed (i.e., unchecked forms of IPV were declined rather than skipped).

- Physical (e.g., hitting, kicking, injury to the head/TBI)
- Sexual
- Psychological - Verbal (e.g., talk down, insult, name calling)
- Psychological - Social Restriction/Isolation
- Psychological - Healthcare (e.g., reproductive, medical or mental health, substance use)
- Psychological - Threatening (e.g., weapon, breaking items, ultimatum)
- Psychological - Stalking
- Psychological - Financial (e.g., controlling access to money, employment control)
- Psychological - Using technology (e.g., cyberstalking, harassment, identify theft/misuse)
- Psychological - By harming or threatening others (e.g., children, pets) or self
- Other:

AFTER:

2. Reminder Dialog ELEMENT: VA-HF HTN REFERRAL DIETICIAN

Change Made:

The spelling of the word 'dietician' was changed to 'dietitian'.

This element resides in reminder dialog: VA-HTN ELEVATED BP>140/90

BEFORE:

NAME: VA-HF HTN REFERRAL DIETICIAN

Refer to **Dietician**

Edit? NO//

ALTERNATE PROGRESS NOTE TEXT:

Patient referred to **Dietician**.

Reminder Resolution: HTN Assess for Elevated BP >= 140/90

Patient reported blood pressure (please enter as SBP/DBP, e.g. 135/85)

MEDIATION/INTERVENTIONS

Medications adjusted or initiated

Medication change not warranted due to:

Refer to PACT pharmacist for hypertension treatment

Refer to Dietician 

Comment:

Refer to MOVE

Evaluate/refer for resistant or secondary HTN

Patient declines medication adjustment

EDUCATION

Exercise: Counselor on the importance of exercise in the control of blood pressure

Nutrition: Counselor on the importance of diet and weight loss/control in the regulation of blood pressure

Other lifestyle modifications recommended - specific interventions:

Adherence to therapy education

No education warranted (based on comorbidities/life expectancy/other)

Incorrect diagnosis of hypertension

Incorrect diabetes diagnosis

Clear Clinical Maint Visit Info < Back Next

HTN Assess for Elevated BP >= 140/90: 
Patient referred to Dietician.

AFTER:

NAME: VA-HF HTN REFERRAL DIETICIAN
