## Introduction

---

Last year, Caregiver Support expanded services that were required by the MISSION Act. Due to the overwhelming number of applications that were received, there was a delay in the reassessments of those who were previous enrolled. Beginning October 1, 2021, those reassessments have started and a few significant issues with one of the sections in the CSP PCAFC CEAT REVIEW NOTE were identified.

For the **Status Change Reassessment Review** section of that template, the following changes have been made:

- 1) Added: , 'Veteran not eligible due to reassessment' and a sub-reason were added under the Discharge option
- 2) Added Not Reviewed to options in all required sections except determination section so that those items do not have to be reviewed every time

This update will update the version number to 3.1 and update only the STATUS CHANGE RE-ASSESSMENT REVIEW section of the reminder dialog template VA-CSP CEAT REVIEW RESPONSE NOTE.

UPDATE\_2\_0\_242 contains 1 Reminder Exchange entry:
