

# Now Live in TMS!

## Suicide Safety Planning Training

*VA employees may receive CEU credit via the talent management system (TMS) by viewing this recording at their leisure. The training may be accessed in TMS using the Direct Link for duration listed below.*

### **Program Description:**

This presentation will educate VHA Mental Health providers on the Suicide Safety Planning Intervention. Participants will learn about the purpose of Safety Planning with Veterans at risk for suicide, and will learn strategies for collaborating with Veterans in developing safety plans. The training outlines the steps of the Safety Planning Intervention, and provides guidelines and tips for completing each step. The training also demonstrates how to use the national Safety Planning CPRS Note Template as a tool in safety planning.

**Duration of Availability in TMS:** 7/1/2018- 7/1/2021

**TMS Item #:** 36232

**Direct TMS Link:** [Suicide Safety Planning Training Recording](#)

**Audience:** The primary target audience is clinical providers: physicians, nurses, psychologists, social workers and counselors. The secondary target audience is non clinical staff.

**Credit/hours:** 1 hour CEU

**Accreditations:** ACCME, ACCME-NP, ANCC, NBCC, APA, ASWB, and NYSED
